

2022 Eclectic Tournament (Satellite)

Apr. 12 – Sept. 30, 2022

Finals – Sat. Oct. 29, 2022

Mike McCoy, Eclectic Captain

Rules & Procedures

I. Open to all current Los Verdes Men’s Club members with a current SCGA index. Tournament entrance fee (\$30) must be paid prior to playing the first round. **By paying the entrance fee, players agree they have read and will abide by rules below.** Players make their own tee time reservations.

II. Format

1. Play up to 5 rounds between April 12 and September 30, 2022 (5 rounds not required).
2. Only 1 round per calendar month may be submitted.
3. Rounds can be played from either the Blue or White tees.
4. Scoring is low net on each hole using current (day of play) SCGA index/handicap.
5. Final score is the total of best score on each hole over the rounds played.
6. Rounds can be played concurrently with any other tournament or club activity round in which you play your own ball tee to green and are playing with another Los Verdes Men’s Club member who must attest your scorecard (see Section V).

III. Prior to Your Eclectic Round

1. Enter your name, date of play, and current handicap on the Eclectic sign-in page in the Satellite Tournament notebook.
2. Note the number on the line you completed and take the pre-numbered scorecard with the same number for your round from the plastic pocket in the notebook.
3. Enter your name and date played and indicate Blue or White tees played on the scorecard.
4. You must declare to your Los Verdes Men’s Club group member(s) that you are playing an Eclectic round before you tee off on the first hole. Once you have left the first tee, you are committed to playing the Eclectic Round (unless illness or injury prevents you from finishing).

IV. Scoring the Round

1. Record your gross score on each hole. Per current club tournament procedures, a maximum score of 10 on any hole is allowed.
2. You may also record your net score on each hole in the square below your gross score, but this is not required. The captain will calculate/validate your net score for each hole.
3. Any hole played with a temporary green or temporary tee must be scored as Par Plus (also called Net Par, which equals par for the hole plus any handicap strokes for that hole; par 4 + 1 handicap stroke = 5)
4. The best net score on each hole over the 5 rounds is used to compute the final score (see below)

Hole	1	2	3	4	5	6	7	8	9	out	10	11	12	13	14	15	16	17	18	in	total

V. After the Round

1. Make sure your pre-numbered score card is completed: name, date, tees played, current handicap, and gross scores
2. Sign your card and get the attesting member to sign the card; the attesting member must either have their name and scores on the score card, and/or has posted his round on the SCGA website. (This is proof the attesting member played that day).
3. Enter the attesting member's name on the Eclectic sign-in page; if the attesting member's name is not legible, you must include the member's GHIN number.
4. Deposit the completed scorecard in the Black ECLECTIC BOX in the pro shop.
5. Post as a Home Score (unless playing in an official LVMGC tournament).

VI. Standings During the Tournament

1. The number of flights will be determined by dividing the total number of players by 7, with a maximum number of 4 flights. For example, 25 players divided by 7 = 3.5, which would mean 3 flights. If the number of players is 28 or higher, there will be 4 flights.
2. Flight assignment will be determined by dividing the total number of players by 4, then grouping players by handicap range. Players will be assigned to a flight based on their index as of April 1, 2022. Grouping may result in slightly unequal number of players in some flights.
3. The Eclectic captain will send out the standings via club e-mail at the beginning of the months of May, June, July, August, and September. The final standings will be sent out via e-mail to all players in early October.

VII. Eclectic Champion

1. The winner of each flight will be the total of the low net score of each hole over the 5 rounds
2. In case of ties in a flight, tiebreakers are the back 9 total, then front 9 total, then hole-by-hole comparison, then low-net round to determine the winner.
3. **The winner of each flight will play in the Eclectic Championship on Saturday October 29, 2022.** * This date may be changed to another date, including a weekday, by unanimous agreement by all finalists and tournament captain.
4. The Eclectic Championship, played from the White PERMANENT markers, is an 18-hole round net match play format, with points awarded for each hole. If 4 flight winners are playing, each hole is worth 4 points; a single low net score gets all 4 points; points for tied holes are divided accordingly.
5. In the case of a tie, the tie-breaking system in VI-2 above will be used, substituting hole points for net score.
6. The Eclectic captain or a designated LVMGC member may serve as a "marshall" for the Championship round to assist with scoring and with rulings on special circumstances (drops, lost ball, putting rotation, etc.)
7. The winner of the Eclectic Championship will be recognized by the LVMGC as Eclectic Champion for 2022.
8. The Champion will receive the biggest payout, with a guaranteed minimum of \$100. The other 2-3 players in the Playoff will receive payouts based on their results (2nd place will receive more than 3rd place, followed by 4th place). Remaining monies will be distributed to those finishing 2nd and 3rd in their flights. Payouts below 3rd place in flights will be made if funds allow.

Failure to follow the Eclectic Rules & Procedures or the SCGA rules of golf (local rules excepted) results in round disqualification. Purposeful violation of these rules results in tournament disqualification.
