

December 4 Club Tournament

Saturday December 15th, 2018

Captain: Stan Kohler

Current Handicap to be used as of 12-1-18

This will not count as a recorded GHIN round.

This is known as a limited club event and you can use 4 clubs. The putter counts as a club and is advisable.

The last two year's have seen exceptional rounds recorded by Henry Arnold and Randy Awni. These men both shot their best round's of the year using only 4 clubs. This round plays fast and the fact that you only use four clubs may help you. Good luck,

Paul Hendrickson
