

Los Verdes Men's Golf Club 2023 PRESIDENT'S CUP TOURNAMENT GUIDELINES *Finals – Sat. Oct. 14, 2023*

Rules & Procedures

I. Open to all current Los Verdes Men's Club members with a current SCGA index. Tournament entrance fee (\$30) must be paid prior to playing the first round. Sign-up closes May 1, 2023 at 11:59 PM. **By paying the entrance fee, players agree they have read and will abide by rules below and keep Oct. 14, 2023 available to play in the finals.** Players make their own tee time reservations.

II. Format

1. 54-hole net stroke play total score.
2. Play the 3 rounds between April 1 and September 30, 2023.
3. Only 1 round per calendar month may be submitted, with no make-up rounds for missed months.
4. Rounds can be played from either the Blue or White tees (indicate on score card).
5. Scoring is low net using current (day of play) SCGA index/handicap.
6. Final score is the total of all 3 net rounds (54-hole net score).
7. Rounds can be played concurrently with any other tournament or club activity round in which you play your own ball tee to green and are playing with another Los Verdes Men's Club member who must attest your scorecard (see Section V).

III. Prior to Your President's Cup Round

1. Enter your name, date of play, and current index on the President's Cup sign-in page in the Satellite Tournament notebook.
2. Enter your name and date played on the score card and indicate Blue or White tees played.
3. You must declare to your Los Verdes Men's Club group member(s) that you are playing a President's Cup round before you tee off on the first hole. Once you have left the first tee, you are committed to playing the Pres. Cup Round (unless illness or injury prevents you from finishing).

IV. Scoring the Round

1. Record your gross score on each hole. Per current club tournament procedures, a maximum score of 10 is allowed.
2. Total your gross score and subtract your handicap strokes to get your 18-hole net score.
3. Any hole played with a temporary green or temporary tee must be scored as Par Plus (also called Net Par) which equals par for the whole plus any handicap strokes for that hole; par 4 + 1 handicap stroke = 5)

V. After the Round

1. Make sure your score card is completed: name, date, tees played, current handicap, and gross scores.
2. Sign your card and get the attesting member to sign the card; the attesting member must either have their name and scores on the score card, and/or has posted his round on the SCGA website. (This is proof the attesting member played that day).
3. Enter the attesting member's name on the President's Cup sign-in page.
4. If the attesting member's name is not legible, you must include the member's GHIN number.
5. Deposit the completed scorecard in the Black PRESIDENT'S CUP BOX in the pro shop.
6. Post as a Home Score (unless playing in an official LVMC tournament).

VI. Standings During the Tournament

1. The number of flights will be determined by dividing the total number of players by 7, with a maximum number of 4 flights. For example, 25 players divided by 7 = 3.5, which would mean 3 flights. If the number of players is 28 or higher, there will be 4 flights.
2. Flight assignment will be determined by dividing the total number of players by 4, then grouping players by handicap range. Players will be assigned to a flight based on their current index as of April 1, 2023. Grouping may result in slightly unequal number of players in some flights.
3. The President's Cup captain will send out the standings via e-mail to all those playing at the beginning of the months of May, June, July, August, and September. The final standings will be sent out via e-mail to all players in early October.

VI. President's Cup Champion

1. The winner of each flight will be the combined lowest net scores of all three rounds.
2. In case of ties in a flight, tiebreaker will be the back 9 totals, then front 9 totals, then hole-by-hole comparison, then lowest net round to determine the flight winner.
3. **The winner of each flight will play in the President's Cup Championship on Saturday October 14, 2023 * Flight winners who are unable to play on Oct. 14 will be disqualified from the championship.** * This date may be changed to a weekday, played by Oct. 31, by unanimous agreement by all finalists and tournament captain.
4. The President's Cup Championship, played from the White or Blue PERMANENT tees (each player may choose), is an 18-hole net-score format and the President's Cup champion will be the player with the lowest net score.
5. In the case of a tie, the tie-breaking system in VI-2 above will be used.
6. The President's Cup captain or a designated LVMGC member may serve as a "marshall" for the Championship round to assist with scoring and with rulings on special circumstances (drops, lost ball, putting rotation, etc.).
7. The winner of the President's Cup Championship will be recognized by the LVMGC as the President's Cup Champion for 2023.
8. The Champion will receive the biggest payout, with a guaranteed minimum of \$100. The other 2-3 players in the Playoff will receive payouts based on their results (2nd place will receive more than 3rd place, followed by 4th place). Remaining monies will be distributed to those finishing 2nd and 3rd in their flights. Payouts below 3rd place in flights will be made if funds allow.

Failure to follow the President's Cup Rules & Procedures or the SCGA rules of golf (local rules excepted) results in round disqualification. Purposeful violation of these rules results in tournament disqualification.
