June 1st 2023

Hello Fellow Golfers,

We have a lot going on with the Club now.

With the White Tee Classic, Blue Tee Classic, Senior Match Play, Eclectic, Presidents Cup, and the beginning of the Putting contest, we have it all going on right now. Pick your poison, tee it up and have a blast with your friends.

We had a great tournament on May 20th with the Individual low net, Ralph Ferdinand was our Tournament Captain, assisted by Bob Rogers, Tino Gomez and Marshalled by Jim Duntley. Ralph is fortunate enough to Captain the Orange Ball tournament coming up June 17th.

Make sure you attend our next meeting on June 14th and compete in the putting contest. Our Putting Directors Tony Vinter and Jim Louder have put together such a nice prize for the winner which you will want in your trophy case. We will also Celebrate our weekend team play members led by Michael Eastman, Al Von Kennel and Alec Todryk. We will listen to their stories and triumphs as they pass the microphone around.

Summer is here! Make sure you show up for Burgers and Beer on June 14th.

I hope to see y'all out there soon.

Hit them straight and not too often gents!

Jeff Wells Sr.
President LVMC

The dinner starts at 6:00. The meeting starts at 7:00pm.

**Entertainment Chairman
Randy Sgro**

Meeting Night is Wednesday, June 14th, 2023

Hello Members,

Let's all come out on **June 14, 2023** to celebrate the victory of Saturday Team. For the first time in club history, we can now proudly be known as SCGA Saturday Team Play Champions. Mike Eastman did a fine job of assembling the team to hold off Hacienda Heights Country Club at Rams Hill for the title.

It was a great year for Los Verdes, and this accomplishment needs to be celebrated.

Also there is still time to come out and qualify for the Putting Championship, and once again Jim Louder and Tony Vinter have a belt buckle up for grabs for the champion. So if you have not qualified come on out and give it a try.

Since it is now unofficially summer, what better way to start the summer off than with a BBQ. This month I will be grilling burgers outside with music going and beer flowing. So come on out and listen to Mike Eastman about this year's Saturday team play.

So besides burgers there will be potato salad green salad and of course desert and no BBQ is complete without beer.

The cost for dinner this month is \$20.00 per person. So grab your putter come up to the course on the 14th to qualify for the putting championship and stay to celebrate the SCGA Saturday Team Play Champions.

See you all on the 14th.

Randy Sgro
LVMC Entertainment Chairman.

Hello Members,

The May Tournament went off without a hitch and Ralph Ferdinand successfully Captained the tournament with the help of Tino Gomez, Jim Duntley and Jeff Wells. There were some eye popping results this past month and we had eleven players go -4 under or less. Gentlemen, welcome to Handicap Chairman Jesper Lykke's watch list.

We did add a low gross this month and James Bunnell shot -1 , 70 to win that tournament category. Nice showings by Kelvin Japco, Lewis Simon, Peter Laux and Trevor Portiz whom should all enter the Club Championship in August.

The Hole 12 Mongol King Certificate winners were John O'Connor and Jeff Louder.

For the month of July, it will be a team Orange Ball event, where one gross birdie provides certificates for the whole team.

The month of June Tournament is scheduled for **Saturday June 17th**. This is a correction and we are doing this to accommodate the course and another tournament that was scheduled. It is an Individual Net + Blind Partner tournament. So, Individual skins and net Plus a Team Total score for blind draw.

The first round of the White Classic is finished and the we are onto the next round for the 16 winners. The Senior Match Play has kicked off and the Blue Classic pairings have just been sent out. For these matches the course has set aside 4 Sunday Tee Times to help these matches get scheduled. Reach out to me to get scheduled.

See you at the General Meeting and Next Tournament,

Paul Hendrickson – Tournament Chairman

JUNE GOLF JOKE

The Curve of Life...

The Golf Reunion:

Two guys grow up together, but after college one moves to Georgia and the other to Texas. They agree to meet every ten years in Florida to play golf. At age 32 they meet, finish their round of golf and head for lunch.

"Where you wanna go?"

"Hooters."

"Why Hooters?"

"They have those servers with the big boobs, the tight shorts and the gorgeous legs."

"You're on."

At age 42, they meet and play golf again.

"Where you wanna go for lunch?"

"Hooters."

"Again? Why?"

"They have cold beer, big screen TVs, and side action on the games."

"OK."

At age 52 they meet and play again.

"So, where you wanna go for lunch?"

"Hooters."

"Why?"

"The food is pretty good and there's plenty of parking."

"OK."

At age 62 they meet again.

After a round of golf, one says, "Where you wanna go?"

"Hooters."

"Why?"

"Wings are half price and the food isn't too spicy."

"Good choice"

At age 72 they meet again.

Once again, after a round of golf, one says, "Where shall we go for lunch?"

"Hooters."

"Why?"

"They have six handicapped parking spaces right by the door and they have senior discounts."

"Great choice."

At age 82 they meet and play again.

"Where should we go for lunch?"

"Hooters."

"Why?"

"Because we've never been there before."

Golf Genius Tips

This month's tip will assist you if you are having troubles **Registering** for tournaments via **Golf Genius** if you are having troubles.

I highly recommend registering via a computer rather than a mobile device as it is an easier transaction with a stable network connection. If you are using a mobile device, please make sure you are connected to a stable network, and I would use caution if you're just using it over with cellular data connection.

Logout of Golf Genius!

The most common problem I see, is that members are currently logged in to Golf Genius from a previous tournament or another club. Please logout of Golf Genius prior to clicking on the registration link. Our system is not set-up to have a Username / Password to use Golf Genius. **All you need is the GGID** of the tournament to complete your registration.

If you are **NOT receiving** our tournament invite emails from Golf Genius, please check your Spam/Junk folder for emails from norply@golfgenius.com.

We also recommend you add that address to your address book which will most likely end up in your inbox.

If you would like to have quick and easy access to all the events available for our members, we suggest that you **add this link** <https://www.golfgenius.com/ggid/qtttph> to your favorites.

By simply clicking on the link, you will be able to view all the past and present events, and from there you can access each event portal. You can then use the portal to sign up for a tournament, check tee sheets, or view the results of past tournaments.

All things Rules of Golf

Alec Todryk

Rules Chair

Membership,

Welcome new and returning members of Los Verdes. For 2023 we will continue to operate business as usual with in the USGA and local rules outlined by the Los Verdes Rules Committee. Outlined below are two local rules that all members should be aware of while playing in events and 5 key changes to the USGA rules of golf for 2023.

Local Rules

Smut grass Rule: A player whose ball lies close to smut grass, in a position where the swing movement of the clubface to hit the ball is obstructed by the smut grass, is allowed to place the ball within one club-length of where the ball came to rest no nearer the hole without penalty. There is no relief for stance on smut grass, only the clubface obstruction.

Exposed Tree Root Rule: If a player's ball is in play and there is interference with the lie of the ball or the area of intended swing from exposed tree roots that are in a part of the general area of the course that covers all of the course except for the other four defined areas: (1) the teeing area the player must play from in starting the hole, (2) all penalty areas, (3) all bunkers, and (4) the putting green of the hole the player is playing, the tree roots are treated as ground under repair. The player may take free relief under Rule 16.1b. Find the nearest point of relief that is not closer to the hole and the ball must be dropped within 1 club length and come to rest in the relief area. Interference does not exist if the tree roots only interfere with the player's stance.

Key 2023 USGA Rules change

Modifications for Players with Disabilities: The modifications to the Rules for players with disabilities have been made part of the Rules and are in effect for all players who are classified in the categories covered in Rule 25.

Handicap Usage in Stroke Play: With the continued growth of score-posting technology following the adoption of the World Handicap System™, players are no longer penalized for failing to put their handicap on their scorecard in stroke play. The committee will be responsible for ensuring the accuracy of each player's handicap.

Club Damaged During Round: The Rule has been amended to allow a player to replace a club that is damaged during a round, provided the player did not damage it through abuse.

Ball Moved by Natural Forces: A new exception provides that a ball at rest must be replaced if it moves to another area of the course or comes to rest out of bounds after being dropped, placed or replaced.

Back-on-the-Line Relief Procedure: The back-on-the-line relief procedure, often used for penalty area and unplayable ball relief, has been simplified so that the player now drops their ball on the line, and the ball must come to rest within one club-length of where it is dropped.

Handicap Chair Thoughts

Jesper Lykke

**The Fun, the Good, the Bad, and the Ugly
from your
Handicap Chair**

Fun facts: 22,436 rounds were posted by members in 2022. 8,007 rounds were at Los Verdes, and 14,429 rounds were played elsewhere!

The Good news is that 232 members averaged worse or within one stroke in "Home Tournaments" than they did in "Home Rounds",

But the Bad news is that 92 members somehow averaged better than one stroke in "Home Tournaments" than in "Home Rounds"!

My first thought was that it was "kind of strange", but my second thought was "this isn't right"!

I took a closer look at all posts by all members broken down by type (Home, Home Competition, Away, and Away Competition) for all 2022, and I encountered a trend I didn't like. Everybody talks about sandbagging, but without feeling any need whatsoever to apologize, I call it cheating!

What is the difference between winning a tournament by moving the ball to a better lie, not putting out, or applying the "hole in the pocket" trick to find a "lost ball" in the middle of the fairway, and playing with an inflated handicap index?

I don't know any member by name that cheats on the course, but I do know 23 members that averaged more than 3 shots better in tournaments, which is quite unusual to say the least. The Ugly is that 10 members averaged 5-7 shots better, and that 9 that averaged more than 7 shots better in tournaments! Why is that not called cheating?

The board is debating whether to publish the findings, and if we agree to do so, stay tuned for a shocking next edition of The Hacker! Either way, I will be reaching out to the members impacted by my finding to discuss the situation and will determine with the Board and Handicap Committee whether or not their Index should be adjusted down!

APRIL WEEKDAY TOURNAMENT FORMAT: PARTNER BETTER BALL

Hello Weekday Golfers,

What a difference the weather makes. For the rainy March Individual Low Net tournament, the average net score was 79. There was only one score under net par (70) and only one score of even net par (71).

For the overcast May Individual Low Net tournament, the average net score was 74. There were 16 scores under net par (70 or below) and 6 scores at even net par!

Congratulations to **George Ortega** who won the **Memorial Day Flight** with a net 66. It took a net 68 or better to finish in the money here.
