President's Message Jeff Wells

October, 2023

Hello fellow LVMC Golfers,

Fall is upon us. This is my favorite time of year. I just recently found out from someone far wiser than myself (my spouse Stephanie) that most people favor the season they were born in. I found this to be true when I quizzed half a dozen people asking what their favorite season was, then inquiring their Birthdate.

Holly Toledo,

Was the Member/Guest ever a blast. It surely was a close one, and many members had their foot in the door as they could see via Golf Genius. However, Tony Vinter and David Zee closed it out and won by 2 shots, they slammed the door shut on their closing holes. However, I feel the happiest person there was Bill Sun, who finished in T21 with Russ Meisels, but pulled the winning ticket for the BOOZE WAGON!

We have so much to be thankful for as a Club. One of our unsung heroes is a spouse and mother of many members, Karen Turner. She puts together such an assortment of unbelievable prizes for us and works all year long, purchasing, storing, conjuring up how to top the prize list the following year. I am thankful for her, and I am glad to see our members are as well as she received the biggest standing ovation, I have ever seen at LVMC. Thank you, Karen, for what you do.

Our next Tournament is on October 21st and will be Captained by Mike Benedetto. The format is Individual low net, so everyone has a fair chance to do well.

Make sure you attend our next dinner meeting on October 11th, we will have a guest speaker, and will have the finals for the putting championship the Tony Vinter and Jim Louder will coordinate. Make sure you're there.

See you soon Gents.

Hit them straight and not too often.

Jeff Wells Sr.

Los Verdes Men's Club President.

Meeting Night is Wednesday, October 11th, 2023

Members,

I want to thank all those who signed up to compete in the Chili Cook-Off last month, due to my travel schedule, there was some confusion about some logistics that needed to be handled. The Chili-Cookoff will return next year.

However I need to thank the Turner and Louder families for providing the Chili for last months meeting. Even though we did not have Chili-Cookoff we still had a wonderful night, as Hush entertained all those who did attend.

This month we are going to crown our putting champion for 2023. So come on out to the meeting on October 11 to see who will walk away with the buckle and be our next putting champion.

It is with a heavy heart that I write this that we lost Shad McFadden on September 23, 2023, he was just 48 years old. Shad had just won the club championship in August and was an instrumental member of both Thursday and Saturday team play. He was a man was a true gentleman. He will be missed by all that knew him.

Our speaker this month is Scott Rogowski, owner and founder of Unity Performance in Hermosa Beach. Unity Performance is a golf performance facility that works with golfers on their swing, fitness, rehab, and sports psychology. Scott has a masters degree in Kinesiology, specializing in sports performance and human movement. Scott has and does work with players on PGA and LPGA tour, MLB, AVP, NFL, and NBA. Scott worked with the LA Galaxy. In addition, he trained athletes for the 2012 Olympics.

His love to help athletes at all levels is what motivated him to open Unity Performance in 2019. This is a speaker you are not going to want to miss.

Dinner this month is going to be a

- Pork Tenderloin,
- Rice Pilaf,
- Zucchini and Squash,
- Salad and of course desert.
- As always we will have a keg of beer

The price for dinner this month is \$20.00 per person.

Looking forward to seeing everyone on October 11.

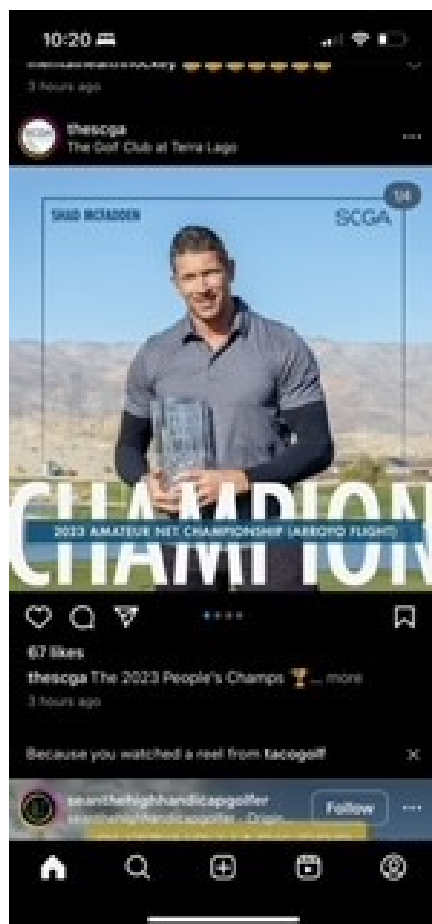

Randy Sgro

Tournament Chairman Paul Hendrickson

Members,

This has been an exceptional year for the Los Verdes Men's Club. As the Tournament Director and a member of the Board I would say the top priority is providing our membership the opportunity to play golf and play a lot of golf. Please visit our website as it lists Tournament information, results, meeting dates and club news.

[Los Verdes Men's Golf and Country Club | lvmgcc.org](http://lvmgcc.org)

On that note, and my wife can completely attest that I have either played, competed, attended or been involved with over 50 events this year. I have kids and a family, work and pets but I am very fortunate that my schedule allows me to be involved with so many events during the year.

When I joined this club, I was so happy because I had been on the waitlist for 7 years. My brother joined with me and promptly broke his leg and never played an event with me. I went to the New Members event and I met Tony Vinter and Jeff Wells. We created a foursome of eight guys that would be able to field a four-some every month. One of those eight guys is David Zee and together with Tony Vinter they won the Member/Guest this year. The Member/Guest was put on by our President Jeff Wells.

My experience is not unique. The Team Play is comprised of all ages and backgrounds with the commonality being that the guys love playing golf and competing. Listen to their stories, Tom Gibson and Maroun Aboutanos met at the club and have been friends for 25+ years. Mike Eastman, Al "K9" Von Kanel and Alec Todryk are tight like brothers and they met at the club. It's very easy to meet and become friends with guys at the club. Play, hang out, play some more and you will be invited to play more golf than you can ever imagine.

The upcoming tournament is the Waltz 1-2-3. Very easy format and it is four-some based. Use the Best Ball on Hole 1, the (2) best balls on hole 2, the (3) best balls on hole 3... Rinse and repeat. All members welcome and sign up if you are a single, twosome or threesome also as I will get you paired.

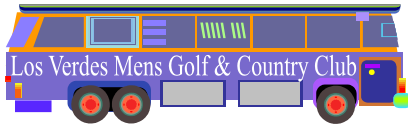

Play more golf,
See you at the next meeting,

Los Verdes Men's Golf Club Tijeras Creek Rider Cup

Members below are the results o the Ryder Cup
USA vs Euro

USA Captain – Tino Gomez
Euro Captain – Jesper Lykke

The Last Bus trip of the year was a great turn out for the Ryder Cup at Tijeras Creek Golf Course, 36 golfers going at it! yelling USA USA USA and Ole Ole Ole.

Tijeras Creek was a great setting for our Ryder Cup for the EURO's with cold air and light Drizzle and light fog (perfect Euro Weather). EURO's fully took advantage of the weather conditions and kicked USA's ass 20 to 16.

Per Euro Captain Jesper “in a friendly competition, second place isn't bad!!!”
Per Captain Tino, Revenge will be sweet next year! With heat sun and no rain!

Golf Genius Tips

This month's tip will assist you if you are having troubles **Registering** for tournaments via **Golf Genius** if you are having troubles.

I highly recommend registering via a computer rather than a mobile device as it is an easier transaction with a stable network connection. If you are using a mobile device, please make sure you are connected to a stable network, and I would use caution if you're just using it over with cellular data connection.

Logout of Golf Genius!

The most common problem I see, is that members are currently logged in to Golf Genius from a previous tournament or another club. Please logout of Golf Genius prior to clicking on the registration link. Our system is not set-up to have a Username / Password to use Golf Genius. **All you need is the GGID** of the tournament to complete your registration.

If you are **NOT receiving** our tournament invite emails from Golf Genius, please check your Spam/Junk folder for emails from norply@golfgenius.com.

We also recommend you add that address to your address book which will most likely end up in your inbox.

If you would like to have quick and easy access to all the events available for our members, we suggest that you **add this link** <https://www.golfgenius.com/ggid/qtttph> to your favorites.

By simply clicking on the link, you will be able to view all the past and present events, and from there you can access each event portal. You can then use the portal to sign up for a tournament, check tee sheets, or view the results of past tournaments.

Greetings LVMC Members,

It is that time of year to start thinking about membership renewals. The renewal rate for regular members will hold steady at \$150 this year.

On November 1, 2023, the SGCA will be sending out a membership renewal e-mail to your address on file with the club. There will be a website link within the email for you to process your annual membership renewal online through the SCGA site. This renewal method is the smoothest for our club to process your payment and is highly recommended.

We can also process your membership renewal by check. If you prefer this payment method, please make your check payable to Los Verdes Men's Club (LVMC). Membership renewal checks can be mailed to LVMC 2023 Treasurer at:

Bill Uphoff

25324 Woodward Avenue

Lomita, CA 90717

Our 2024 Membership wait list is growing by the day. If you have friends or family members that are interested in joining the club, please direct them to our website at www.lvmgc.com. From there they can click on the "View/Join Waiting List" option under "Membership" to find our Google Form link to sign up for the official waiting list.

We will invite prospective members at the top of the waiting list to join the club for 2024 at the December 6th General Meeting at Los Verdes Golf Course. We will sign up new members starting at 5:30pm before the start of the general meeting at 6pm. Please contact Daniel Samaro at dsamaro@gmail.com with your questions.

Alec Todryk
Rules Chair

September Rules Updates – How to fill out a scorecard!!

Important Rules to remember:

- 1) When filling out your card for the round we will have one person who is scoring in Golf Genius and one who has the official scorecard which will be turned in at the end of the round. Remember golf genius is not the source of the truth...your official scorecard is and should be compared against golf genius.
- 2) You should only be recording GROSS scores in both golf genius and your official scorecard. Not net scores, not 1's and 0's or any other creative way you like you score your card. For our tournaments gross scores are all you need so please keep it simple.
- 3) It is worth noting that we do appreciate you adding up your scores at the end of the round but you will not be penalized if you incorrectly add up your nines and 18-hole scores...but you do need to make sure your hole by hole is correct and signed for.

A. Please be aware if you sign for a lower score, you will be disqualified from the tournament.

B. If you sign for a higher score, you must keep that score after the card is signed for.

If you have any questions or concerns with the above, please do not hesitate to contact me (LVMGCRules@gmail.com) and I would be happy to talk through all the scenarios this may not have covered.

Handicap Chair Thoughts

Jesper Lykke

Posting your Rounds

Greetings to all. I truly hope you are enjoying the game this summer, the comradeship, and all the various tournaments that the club is running.

Tournaments are great fun, and because of the International Handicapping system, tournaments are fair and equitable regardless of our respective levels of the game. If done right, and if all play by the rules, a member with an Index of 8 can have a very even match against any other golfers playing to a 5 or a 15...

However, for us to accomplish that modest ambition, everybody must stop cheating! Yes, what you call sandbagging, I call cheating.... A little here and a little there - it all adds up, and suddenly, the fun of playing in tournaments has totally vanished! So, allow me to remind the membership of some must-follow rules:

You must post your all your scores: Home, Competitive Home, Away, and Competitive Away!

At many competitive rounds / tournaments, the club will post for you, but it is your responsibility to ensure that your scores have been posted. PERIOD! Don't settle for posting only the bad Away scores, when nobody can check you (you know who you are)!

Post all your scores, because that is the only way the Handicap System can work to everybody's benefit. You don't improve your lie, you don't miss four consecutive 1-footers, and you post everything! Don't forget that our beloved Game of Golf is based on the honor system, and that players call penalties on themselves...

If you shoot high scores on a couple of holes, use the GHIN App to make it easier to ensure that the maximum of "Net Double Bogey" is posted for Handicap purposes. You do that best by posting hole by hole in the APP immediately after your round.

You must post all acceptable scores on the day played because your Handicap Index is re-calculated after each day of play. An Acceptable score is defined not by how well you played – or didn't play, but whether you played at least 14 holes out of 18 or at least 7 out of 9! The holes you didn't play should be posted as your most likely score or net double bogey, whichever is lower!

Do not forget to also post your Match Play rounds! There are various circumstances that might result in you starting a hole but not holing out. For example:

The result of the hole has already been decided.

A hole has been conceded in match play.

Your partner has already posted a better score in a Four-Ball format.

You have already reached the net double bogey limit on a specific hole.

In all such situations, you must record your most likely score or net double bogey, whichever is lower! ALWAYS!

There is some merit to not posting a practice round, if indeed that is what it is. However, unless a practice round is declared as such prior to teeing off, it is not a practice round and must be posted!

I am not in my role to police members, but to try to ensure that we can enjoy our game, and for all to enjoy it, all must play fairly – especially when it comes to posting!

Thanks for listening.
